“Supporting Black and Minority Ethnic Communities”

Date: 19th February 2010

Time: 9.45am – 1.15pm

Location: Hamilton House, Mabledon Place, London, WC1H 9BD (nearest tube: King's Cross)

This workshop will allow you to:

Meet fellow practitioners working with Black and Minority Ethnic (BME) communities

Gain valuable insights into initiatives that:

- Support parents from BME backgrounds into work
- Support families to access mental health services
- Support young people from BME communities to influence decision making

Hear presentations from successful schemes and join roundtable discussions

Promote projects you are involved in or are due to undertake

Find out more about potential sources of funding

This event is free to attend.

100% participants at our previous three workshops said they would recommend future workshops to colleagues.

If you would like to attend please respond to this email. Please note places are limited and this workshop is only open to voluntary and community organisations that work with London children and families.

PLEASE FEEL FREE TO FORWARD THIS INVITATION
